Question or Comment:

Hi Shellie, I just read your story and my heart goes out to you. The frustration and anger you must feel after all you have been through must be unbearable. After reading your story I have made the decision not to sue my PS. I don't want my family to have to go through it even though I want this PS to pay for his mistakes. I think I will ask for my money back and be done with it. I wish I had the financial and emotional means to pursue a suit, but after reading your story I know I can't do it.

Thank-you for this website and your honesty, it has helped me put this all into perspective. Maybe one day we as consumers will be able to have some sort of recourse when we don't get what we paid for. If you have any advise for me on asking for a refund I would appreciate it. Thanks again for being so strong and for creating this website. Good luck to you.Thanks again

Summer
